

## **Ladies News**

Due to the green renovations during last week Maclean Ladies played an 18 Hole "Mulligans" game with no putting which seemed to be popular with many players. It seems that getting to the green is not a problem for most but those last few shots to get that ball in the hole seem to add up.

Our Division 1 winner was Chris Timbs. Great to see Chris in the winners circle and the runner-up was Kim Eckersley who is on holidays and joined us for the day. Well done Kim it was great to have you in the field. Division 2 winner was Eleane Roylance who has been in great form and well deserved with the runner-up being the very consistent Edith Piddington.

NTP's went to Div 1 Chris Picton Div 2 Mary Wiseman and Club Balls went to K. Ryan, M. Killian, N. Commerford, C. Parker, B. Ensbey, D. Moore & V. George.

Last week 10 of our ladies travelled to Byron Bay and certainly flew the Maclean flag high with Chris Timbs, Sandra Youlten, Eleane Roylance, Kylie Ryan, Liama Hunter & Maureen Killian and Henny Taranto all taking home major prizes and the others balls and other trophies so congratulations to all players. Some girls also went to the annual Jug tournament in Armidale and also played well and did Maclean proud so well done Chrissy, Helen & Chris.

As it is getting towards the end of the golfing calendar this weeks event is also a fun day playing a Flag game which will be further explained by Captain Helen on Wednesday so good luck everyone the greens should prove interesting after the renovations.

Our sponsor for the day is Edith Piddington so play hard.

Cathy Ayres
