

## **Ladies News**

We have a few matches to catch up on with our news as I have been away in NT. As it is the end of the season we have played three partners games. The first was a 4 Person with the winners being Pat Harris, Kerry Cooke, Mary Moore and Bev Ensbey. This team came in with 36 hits on front nine and 38 on the back which was a great team effort. The runners-up were Amanda Barwick, Sheree Forsythe, Kate Apps and Kim Wiblen who had 34 on the front and 36 on the back but had a lower combined handicap than our winners.

Our next match was a Mulligans which gives everyone a chance to replay one shot on every hole. Most golfers dream of being able to do this. In Div 1 the winner with 45 points was Molly Plunkett and Liama Hunter was the winner in Div 2 also with 45 points. Kerry Cooke also had a great day in Div 2 and took the runner-up prize with 44 points. In Div 1 the runner-up was Eleena Roylance with 42 points.

Last week was a 2BB and our sponsor for the day was Val George. Val's day is one of the most anticipated days of the year as she cooks Christmas Cakes and Puddings for all the winners. Val also provided many raffle prizes so a big thank you Val.

We started play in sunshine but by about 12.15 a storm hit with not only driving rain but also hail. In a concern for safety the game was abandoned and the competition was made into a 12 hole event. The winners were Pauline Ryan and Pat Harris who combined to score 33 points in 12 holes. Both these ladies played great golf with Pat having 39 and Pauline 35. They were one of the few teams to have finished playing 18 holes. It was very close for the runner-up prize with three teams scoring 30 points. Nancy Phillips and Liama Hunter won on a countback from Molly Plunkett and Kim Moore and Sheree Forsythe and Kate Apps.

This week is our Presentation Day so we have a Shotgun Start at 8.30. Wednesday 12th December will be our season closing day and dress-up fun day. Summer Comp will kick off on Wednesday 19th and will continue each Wednesday until the end of January.
