

Pro Shop News

The Maclean Pro Shop has developed well over the last 12 months. See our resident professional Paul King for lessons, clubs, accessories and repairs.

We stock the essentials, golf shoes, balls, tees, clothing, headwear, gloves, putters, bags, buggies and sets of clubs. We have golf sets and pull buggies to hire and you can book motorised carts through the shop on the golf club phone number. 02 66452183.

All effort is made to source any requests for equipment not in stock for our customers.
