

July - Winter golf is here !

Chilly mornings but glorious days are forecast for July.

Preferred lies are in from July 1st (fairway only for competitions 30 cms no nearer the hole) but, if you are playing friendly with your mates or Wednesday Skins and if you are in the rough just find the nearest bit of nice grass to play from . It all helps save the course now growth is very slow. Enjoy the fast greens and get out and play competition golf - its not as daunting as it might seem.

NAIDOC reconciliation Terry Randall memorial day is on Friday 12th of July with usually a big mob playing and supporting. This year we are expecting a special guest from the world of NRL. The prizes are extraordinary (\$5000) and the atmosphere is very special.

The busiest week of golf this month is the Veterans “Week of Golf “ with hefty fields on four days from the 15th to the 19th. it might be hard to get your fix but on Wednesday a Medley Stableford will be a welcome rest for the Vets and an opportunity for the rest of us. On Sunday 14th in the afternoon we welcome all the competitors. Come and listen to the wonderful tunes on the bagpipes - or stay away from the noise.

The Mens singles matchplay has been played out with Geoff Grayson just pipping Jack Sillalak in a closely fought Final.

The Mens betterball matchplay knockout stages is also underway and will be past the quarter-final stage by the end of the month.

The Wednesday Women have a WGNR 4BBB qualifier on the 10th. The Vets have a 4BBB Par competition on the 22nd and on the 27th we have a 4BBB multiplier Medley. Fortunately we have a computer to work these one out (but on its recent form don't rely on that) .

Monthly medals ,Black Marker day plus the expanding Bravehearts on Tuesday mornings.

So its wooly hats, body warmers and thermal pants to the Fore !
